- Meeting was called to order at 9:58am CST. Chris Brumley acted as Recorder of the minutes. Mr. Soape outlined each line item throughout all categories of the proposed FY 2026-27 Student Technology Fee budget for vote.
- Lab/Classroom Development in the amount of $299,146.32 was approved by the STAT committee for the purchase of rotational equipment that supports classroom and lab computers.
- Special Initiatives in the amount of $376,573.13 was approved by the STAT committee for the purpose of special projects to be utilized by Theatre, CAPA, Remote Campuses, Education, and the Watson Library Computer Lab Suite.
- Operating Cost/Maintenance in the amount of $507,252.46 was approved by the STAT committee for the purpose of educational software and equipment used to maintain and service our classroom and lab environments.
- Infrastructure in the amount of $400,000 was approved by the STAT committee for upgrades to aging infrastructure and network utilized by all NSULA campuses. The approval is contingent on Information Technology Services (ITS) securing the additional funds.
- Personnel in the amount of $250,000 was approved by the STAT committee for employee and student worker salaries.
- Motion to vote initiated by Ardyn Jardell, second initiated by Aiden Mathews, motions passed.
- Meeting adjourned at 10:21am CST.
